

SCHOOL

What do I love about my classes?

What assignments am I putting off?

What was my biggest accomplishment this week?

What is my biggest challenge at school right now?

What motivates me to go to school?

How do I de-stress at school?

Do I find myself feeling envious of my peers?

What am I doing to overcome these challenges?

What distracts me the most from homework?

How do I measure my success at school?
