

Reporting COVID-19 Exposure While on Clinical/Fieldwork Experience

Students must use the following steps to report any exposures to COVID-19 while participating in clinical/fieldwork experiences:

1. Communicate exposure to your faculty member
2. Follow site specific processes and protocols for exposure and communicate compliance with your faculty member
3. Complete USAHS *Incident Report* and upload to Exxat
4. Email Dawn Werling of exposure to be added to USAHS log
5. Communicate changes/updates to their situation to AFWC/ACCE and Dawn Werling (dwerling@usa.edu)
