

What to Expect When You Return To Campus During Phase One

Preparing for Campus Reentry

- Complete required [COVID-19 Safety Training](#).
- Begin recommended daily online [health self-screening](#).
- If you are not cleared, do not come to campus. You will receive an email with further instructions and follow [Quarantine Guidelines](#).
- Bring a personal face covering, course materials, and nonperishable snacks and beverages in a personal container, such as a small insulated lunch bag.

Personal Protective Equipment (PPE) Protocols

- Wear your face covering during all interactions.
- [Additional PPE for lab sessions](#) will be provided, which includes procedural masks, gloves, and a reusable full face shield.

Entering and Exiting Campus

- Before traveling to campus, complete [health self-screening](#), and bring email with QR code.
- Park in designated areas, wear face covering, and always maintain social distance.
- Follow the signs to the main campus entrance point.
- At the designated entrance, undergo touchless temperature screening. If 100.4 or above, a member of the Campus Reentry Team will privately discuss next steps.
- If you are cleared, take a wristband for the day and go to your [workstation or lab classroom](#).
- Follow the [Building Entry, Daily Access, and Exit Protocols](#).

Navigating Campus Spaces

- No common areas (such as picnic tables, breakrooms, vending, lounges) will be accessible.
- Lab classrooms have a max capacity of 10 individuals and are arranged with 6 foot spacing. Do not move furniture or equipment.
- Campus restrooms have been modified to comply with social distancing requirements. Queuing lines will be marked to minimize crowding.

Staying Safe and Healthy On Campus

- All high-traffic spaces (such as doors, elevators, restrooms, classrooms, equipment) will be sanitized multiple times per day according to our [Cleaning and Disinfecting Protocols](#).
- Practice [healthy behaviors](#), such as hand washing and covering your cough.

We Are Here to Support You!

- If you have concerns or would like to report an incident, follow our confidential [Communicable Diseases Reporting and Response Procedure](#).
- In the case of a positive or presumptive case, we will follow [established CDC](#) and local protocols for notifications and contact tracing.
- Students may request special accommodations from [Disability Services](#) and employees may contact [Human Resources](#).
