What do I do if I am not cleared to enter campus?

Contact
Confidentially notify reentry@usa.edu AND for further reinstructions, Students contact your Faculty Advisor, Faculty and Staff contact your supervisor and local campus HR Partner.

Consult
If you are not feeling well or have new or unexplained COVID-19 related symptoms that began in the last 10 days, please consult your health care provider for guidance.

Complete
Continue to complete the Health Screening form daily http://reentry.usa.edu, and when you have achieved 3 consecutive days meeting entry criteria, you are eligible for reentry and will receive an email with your QR code to enter campus.

Campus Reentry
Positive diagnosis: If confirmed/presumed positive for COVID-19 you may return to campus after at least 10 days have passed since symptoms first appeared , AND you have improvement in respiratory symptoms (e.g., cough, shortness of breath); AND at least 24 hours of no fever without the use of fever-reducing medication AND received clearance to reenter campus by a member of the USAHS Reentry Team.

Exposed to COVID-19: You are required to quarantine for a minimum of 14 days AND receive clearance to reenter campus by a member of the USAHS Reentry Team.
