# GUIDE INTEGRATED HEALTHCARE TEAMS

In USAHS' Master of Health Administration (MHA) program, you can gain the management, financial, technological, operational, and people skills you need to lead your organization into the future. Complement your degree by earning a specialization, plus national-level certifications.

## ✓ Why USAHS?

- Online, case-based learning
- Optional on-campus immersions
- Traditional and accelerated pathways
- Interprofessional courses
- National-level professional certifications
- Specializations in Executive Leadership, Business Intelligence, and Interprofessional Education

To learn more about our MHA program, scan the QR code on the back of this card.

## Want to learn more?

Check out our MHA program by scanning the QR code below.
