<sup>1</sup> Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances.

<sup>2</sup> The program cost represents tuition, fees, and books only, and does not reflect any scholarship or tuition reductions. It does not include housing or living expenses and does not reflect potential tuition and fee increases over the course of the program. Residents of California are also assessed a one-time state-mandated Student Tuition Recovery Fund charge at time of enrollment.

<sup>3</sup> The 2024 loan debt reflects debt incurred by students who received Title IV aid and completed within normal time during the 2022-2023 financial aid year. Median loan debt includes money borrowed for non-tuition costs including personal living expenses. For new programs or programs with less than 10 students, the median loan debt is suppressed.
