UNIVERSITY of ST. AUGUSTINE for HEALTH SCIENCES

Program Data – 2026

Program Name: *Hybrid Immersion Master of Occupational Therapy, San Marcos, CA*

The 5-term HI MOT program is designed to be completed in 20 months.[1]

The 5-term HI MOT program will cost $105,131 if completed within normal time.[2] There may be additional costs for living expenses. These costs were accurate at the time of posting but may have changed.

Of the students who completed the previously offered 6-term HI MOT program within normal time, the typical graduate left with N/A of debt.[3] Please note the newer 5-term MOT program has one less term of personal living expenses.

Austin, TX 78739

Dallas, TX Campus
901 West Walnut Hill, Suite 210A,
Irving, TX, 75038

---

[1] Please note that the 5-term program, first offered in Fall 2025, is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, unsuccessful course completion, leaves of absence or other personal circumstances.

[2] The program cost represents tuition, fees, and books only, and does not reflect any scholarship or tuition reductions. It does not include housing or living expenses and does not reflect potential tuition and fee increases over the course of the program. Residents of California are also assessed a one-time state-mandated Student Tuition Recovery Fund charge at time of enrollment.

[3] The 2026 loan debt reflects debt incurred by students who received Title IV aid and completed the previously offered 6-term HI MOT program within normal time during the 2024-2025 financial aid year. Median loan debt includes money borrowed for non-tuition costs including personal living expenses. For new programs or programs with less than 10 students, the median loan debt is suppressed.
