

University of St. Augustine for Health Sciences' Master of Occupational Therapy (5 term) Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Master of Occupational Therapy ("MOT") program (Residential and Hybrid Immersion), including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>Master of Occupational Therapy ("MOT")</i>	Program Cost¹: \$97,167 – 105,131
Normal Time to Completion (in months)²: 20	Total Credits³: 82
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: <i>Austin, TX – 92%; Saint Augustine, FL – 98%; San Marcos, CA – 91%; Miami, FL – 97%; Dallas, TX – N/A</i>

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the 5-term program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the 6-term MOT program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. Effective Fall 2025, USAHS ceased enrollment of new students into the Residential and Hybrid Immersion MOT (6 terms). "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the 6-term MOT program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, Maryland requires licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Flex Master of Occupational Therapy (8 term) Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Flex Master of Occupational Therapy ("Flex MOT") 8-term program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>Flex Master of Occupational Therapy ("Flex MOT")</i>	Program Cost¹: \$93,939 - \$96,185
Normal Time to Completion (in months)²: 32	Total Credits³: 82
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: <i>Austin, TX – 92%; Saint Augustine, FL – 98%; San Marcos, CA – 91%; Miami, FL – 97%; Dallas, TX – N/A</i>

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the 8-term program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the 9-term Flex MOT program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. Effective Fall 2025, USAHS ceased enrollment of new students into the Flex MOT (9 terms). "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the 9-term Flex MOT program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, Maryland requires licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Doctor of Physical Therapy (7 term) Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Doctor of Physical Therapy ("DPT") program (Residential and Hybrid Immersion), including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>Doctor of Physical Therapy ("DPT")</i>	Program Cost¹: \$119,616 - \$135,943
Normal Time to Completion (in months)²: 28	Total Credits³: 110
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: <i>St. Augustine, FL: 100%; San Marcos, CA: 100%; Austin, TX: 97%; Miami, FL: 93%; Dallas, TX: 97%</i>

Professional Licensure or Certification eligibility for Maryland graduates: *Graduates are eligible to take the national licensing examination administered by the Federation of State Boards of Physical Therapy (FSBPT). In addition, Maryland requires licensure to practice. After successful completion of the national exam and receiving state licensure, the individual*

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the 7-term program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program. Students with a master's degree will typically complete the program in a shorter period of time than those with a bachelor's degree.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the 8-term DPT program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. Effective Fall 2024, USAHS ceased enrollment of new students into the DPT (8-term). "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the 8-term DPT program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

will be a Physical Therapist (PT). A felony conviction may affect a graduate's ability to sit for the FSBPT examination or attain state licensure.

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded

to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Flex Doctor of Physical Therapy (9 term) Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Flex Doctor of Physical Therapy ("Flex DPT") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>Flex Doctor of Physical Therapy ("Flex DPT")</i>	Program Cost¹: \$107,764 - \$128,202
Normal Time to Completion (in months)²: 36	Total Credits³: 110
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: <i>St. Augustine, FL: 98%; San Marcos, CA: 99%; Austin, TX: 99%</i>

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the 9-term program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program. Students with a master's degree will typically complete the program in a shorter period of time than those with a bachelor's degree.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the 12-term Flex DPT program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. Effective Fall 2024, USAHS no longer enrolled new students into the Flex DPT (12-term). "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the program in CY2023 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *Graduates are eligible to take the national licensing examination administered by the Federation of State Boards of Physical Therapy (FSBPT). In addition, Maryland requires licensure to practice. After successful completion of the national exam and receiving state licensure, the individual will be a Physical Therapist (PT). A felony conviction may affect a graduate's ability to sit for the FSBPT examination or attain state licensure.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' RN-Master of Science in Nursing with a role specialty in Family Nurse Practitioner Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' RN-Master of Science in Nursing with a role specialty in Family Nurse Practitioner ("RN-MSN-FNP") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: *RN-Master of Science in Nursing with a role specialty in Family Nurse Practitioner program ("MSN-FNP")*

Normal Time to Completion (in months)²: 40

% Completion⁴: N/A

Median Loan Debt⁶: N/A

Program Cost¹: \$59,118

Total Credits³: 59

% Withdrawal⁵: N/A

Placement Rate⁷: N/A

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *RN-MSN-FNP graduates must hold a master's, postgraduate, or doctoral degree from a family nurse practitioner program accredited by the CCNE or ACEN in order to be eligible for the FNP national certification exam; national certification as an FNP and graduation from a Board of Nursing approved program is required for licensure to practice as an FNP in Maryland. The Master of Science in Nursing (MSN) program at the University of St. Augustine for Health Sciences is accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' RN-Master of Science in Nursing with a role specialty in Psychiatric Mental Health Nurse Practitioner Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' RN-Master of Science in Nursing with a role specialty in Psychiatric Mental Health Nurse Practitioner ("RN-MSN-PMHNP") program, including the typical cost for books and supplies. Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Master of Science in Nursing with a role specialty in Family Nurse Practitioner ("MSN-FNP") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: *Master of Science in Nursing with a role specialty in Family Nurse Practitioner program ("MSN-FNP")*

Normal Time to Completion (in months)²: 32

% Completion⁴: N/A

Median Loan Debt⁶: N/A

Program Cost¹: \$50,564

Total Credits³: 50

% Withdrawal⁵: N/A

Placement Rate⁷: N/A

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *MSN-FNP graduates must hold a master's, postgraduate, or doctoral degree from a family nurse practitioner program accredited by the CCNE or ACEN in order to be eligible for the FNP national certification exam; national certification as an FNP and graduation from a Board of Nursing approved program is required for licensure to practice as an FNP in Maryland. The Master of Science in Nursing (MSN) program at the University of St. Augustine for Health Sciences is accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Master of Science in Nursing with a role specialty in Psychiatric Mental Health Nurse Practitioner Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Master of Science in Nursing with a role specialty in Psychiatric Mental Health Nurse Practitioner ("MSN-PMHNP") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. ¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program.

³ Total credits required range based on the student's highest degree earned before entering the program.

⁴ Completion rate is defined as the number of students who completed the program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

certification exam and graduate from a Board of Nursing approved program in order to apply for licensure to practice as a nurse practitioner in the state. DNP-FNP graduates must hold a master's, postgraduate, or doctoral degree from a family nurse practitioner program accredited by the CCNE or the Accreditation Commission for Education in Nursing (ACEN) in order to be eligible for the Family Nurse Practitioner national certification exam. The Doctor of Nursing Practice program at the University of St. Augustine for Health Sciences is accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Post-Graduate Nursing Certificate with role specialties in Nurse Educator and Nurse Executive Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Post Graduate Nursing Certificate with role specialties in Nurse Educator and Nurse Executive Program ("PG Certificate non-NP") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: *PG Certificate non-NP program*

Program Cost¹: \$11,480

Normal Time to Completion (in months)²: 8

Total Credits³: 12

% Completion⁴: N/A

% Withdrawal⁵: N/A

Median Loan Debt⁶: N/A

Placement Rate⁷: N/A

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. University of St. Augustine for Health Sciences' Post Professional Doctor of Occupational Therapy Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Post Professional Doctor of Occupational Therapy ("PPOTD") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>PPOTD program</i>	Program Cost¹: \$22,878 - \$39,624
Normal Time to Completion (in months)²: <i>24-48 months</i>	Total Credits³: <i>27-60</i>
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: N/A

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program. Students with a master's degree will typically complete the program in a shorter period of time than those with a bachelor's degree. Additionally, prior to Spring 2025, the Master's-entry PPOTD program was designed to be completed in 28 months.

³ Total credits required range based on the student's highest degree earned before entering the program. The total credits required for the program for students with a master's degree is less than the students with a bachelor's degree. Additionally, prior to Spring 2025, the Master's-entry PPOTD program required 35 credit hours.

⁴ Completion rate is defined as the number of students who completed the program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁵ Based on official withdrawal records of Maryland students that entered the program in CY2024 and have withdrawn within a year after entrance. If marked "N/A", the program did not have Maryland students during the reporting period or had less than 10 Maryland students withdraw and this number has been withheld to preserve the confidentiality of those students.

⁶ Median Loan Debt for the purposes of this disclosure is the loan debt for all Maryland students who completed the program during the most recently completed award year. "N/A" is marked for the program that has fewer than 10 Maryland students who completed the program in the reported year; this number has been withheld to preserve the confidentiality of the students.

⁷ If marked "N/A", placement rates are not required to be calculated by USAHS for the program or the program does not have graduate data as of July 2026.

Professional Licensure or Certification eligibility for Maryland graduates: *USAHS' PPOTD program is not designed or intended to lead to professional licensure in any state.*

Please note: *The College Scorecard does not have data for USAHS at this time, including, but not limited to, median earnings information of former students.*

USAHS CANCELLATION AND REFUND POLICY

Tuition Refund Policy for Maryland Residents

For students residing in Maryland, the University complies with the state of Maryland's refund policy. This policy will supersede the University's refund policy, unless the University's policy is more beneficial for the Maryland student. The minimum refund that the University shall pay to a Maryland student who withdraws or is terminated after completing only a portion of a course, program, or term within the applicable billing period is as follows:

Proportion of Total Course, Program, or Term Completed as of Date of Withdrawal or Termination	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to and including 60%	20% refund
More than 60%	No refund

Tuition Refund Policy

Student's Right to Cancel

Students may withdraw from a degree program at any time. Students wishing to withdraw from a program should first consult with their faculty advisor. Students who decide to withdraw from a program must complete the Program Withdrawal Form located on MyUSA and submit it to the Registrar's Office. To withdraw from an individual seminar, contact the Continuing Education Office by phone at 904-826-0084, ext. 1400.

Cancellation and Tuition Refund Policy

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's institutional refund policy.

Notice of Cancellation

Students must notify the University in writing of cancellation. All monies paid by an applicant other than matriculation fees (if required), books, supplies, materials, and kits that are not returnable from use are refunded if cancellation occurs within the first seven days of instruction.

Tuition Refund Policy

USAHS has an established add/drop period that is the 1st week (7 days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Refund of Tuition After the Start of Trimester Courses: For students who withdraw from *all* classes during days 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

Step 1: The University determines the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If more than 60%, then no refund is due.

Step 2: The University determines the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.

Step 3: The University compares the amount of tuition earned by the school to the amount received by the school. If more funds were received by the school than tuition earned by the school, the University determines the amount of funds that must be returned by subtracting the amount of tuition earned by the school from the amount received by the school.

Step 4: The University distributes this calculated amount as a refund to the student or the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes before more than 60% of the term has elapsed, a portion of their tuition is returned to the lender. Please see the University's R2T4 policy for further information.

University of St. Augustine for Health Sciences' Doctor of Education Program Disclosure to Prospective Maryland Students

Prospective students who are residents of Maryland: In order to complete your enrollment at the University of St. Augustine for Health Sciences ("USAHS"), we must provide you the following disclosures, as required by *Maryland Commercial Law Article §13–320*.

COST OF ATTENDANCE FOR THE PROGRAM

The following chart represents the tuition and fees charged for completing USAHS' Doctor of Education ("EdD") program, including the typical cost for books and supplies. In programs that contain a residency or field experience requirement, the cost of transportation is not included. For a complete list of programs and tuition costs, visit <https://www.usa.edu/> and select your program of interest.

PROGRAM LENGTH, PROGRAM COST, CREDIT HOURS, COMPLETION/WITHDRAWAL RATES, MEDIAN LOAN DEBT, PLACEMENT RATES AND PROFESSIONAL LICENSURE ELIGIBILITY FOR MARYLAND STUDENTS AND GRADUATES

As required by *the State of Maryland*, USAHS is required to provide the following information to prospective students:

Program Name: <i>Doctor of Education ("EdD") program</i>	Program Cost¹: \$58,249
Normal Time to Completion (in months)²: 48	Total Credits³: 60
% Completion⁴: N/A	% Withdrawal⁵: N/A
Median Loan Debt⁶: N/A	Placement Rate⁷: N/A

¹ Cost based off credits, fees, and books and does not reflect any scholarship or tuition reductions or housing and living expenses.

² Please note that the program is designed to be completed in this amount of time, however, individual experiences will vary based on factors including, but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, leaves of absence or other personal circumstances. Length of program is based on the student's highest degree earned before entering the program. Students with a master's degree will typically complete the program in a shorter period of time than those with a bachelor's degree.

³ Total credits required range based on the student's highest degree earned before entering the program. The total credits required for the program for students with a master's degree is less than the students with a bachelor's degree.

⁴ Completion rate is defined as the number of students who completed the program on-time within the normal program length divided by all students that completed the program. The timeframe of graduates captured is from July 1, 2024 to June 30, 2025.
