****The grant is calculated and applied on a per-credit basis. The total grant amount assumes the completion of the full number of credits in the program. Any transfer credits will reduce the amount of the grant awarded.

*****Each student is assigned a faculty advisor when they start the program. On-demand appointments with the faculty advisor and/or course instructors are available.

This offer is not a guarantee that all candidates eligible for the offer will be granted acceptance or admission into USAHS. All prospective students will be subject to the same standard admission and registration process when applying to USAHS. The Grant is applicable to tuition only and does not apply toward books, materials, and other supplies or fees. This offer is only valid for eligible new students who enroll and start classes in the above programs at USAHS through the Fall 2026 term. Please refer to the Financial Aid webpage for additional information.
